

Your hair's grown.

...Noah, you...

Since you get poor visibility, your eye-drops drop too.

I don't want to be lectured about poor visibility by Astra-sama though...

Hair on the back's not a big deal, but it's not good for hair on the front to be too long.

If that's what you say, then you're probably right.

I don't mind. It's particularly difficult to cut frontal hair by yourself, you know.

Eh? Are you sure?!

You definitely need to get a cut soon, huh...?

Well, I'll cut it for you.

*I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.
